Reference No. A-2009-238

Mr. Michael H. Best
Advanced Power Systems International Inc.
339 Main Street
Torrington, CT 06790-5056

Dear Mr. Best:

This is in response to your request for an exemption from the prohibitions of California Vehicle Code Section (VC) 27156 for the Fitch Fuel Catalyst.

Enclosed please find Executive Order No. D-352-2 permitting advertisement, sale, and installation in California of the Fitch Fuel Catalyst for various 2008 model year and older gasoline-powered vehicles. Please note that the Executive Order number must be printed on the identification label and affixed on the device.

No changes are permitted to the device as described in your application. Any changes to a device, applicable model-years, etc., must be evaluated and approved by the Air Resources Board.

No claim of any kind, such as "Approved by the Air Resources Board" or "reduces emissions," may be made with respect to the action taken herein in any advertising or other oral or written communication.

If you have any questions, please contact Mr. Dean Hermano, Staff Air Pollution Specialist, Aftermarket Parts Section, at (626) 459-4487.

Sincerely,

Annette Hebert, Chief
Mobile Source Operations Division

Enclosure

The energy challenge facing California is real. Every Californian needs to take immediate action to reduce energy consumption. For a list of simple ways you can reduce demand and cut your energy costs, see our website: <http://www.arb.ca.gov>.
